

Couach 3000

Description

Delivered in September 2006, with only one season's use by the owner since then. A proven Kevlar hull with fantastic sea keeping capabilities. Powered by twin MTU 16VM91 2000hp engines, with a top speed of 30 knots. A large fuel capacity of 20,000 litres allows for long range cruising. A classic and trendy interior decor with wooden floors and light fabrics throughout with spacious accommodation for nine guests in four luxuriously appointed ensuite cabins.
